Graduates

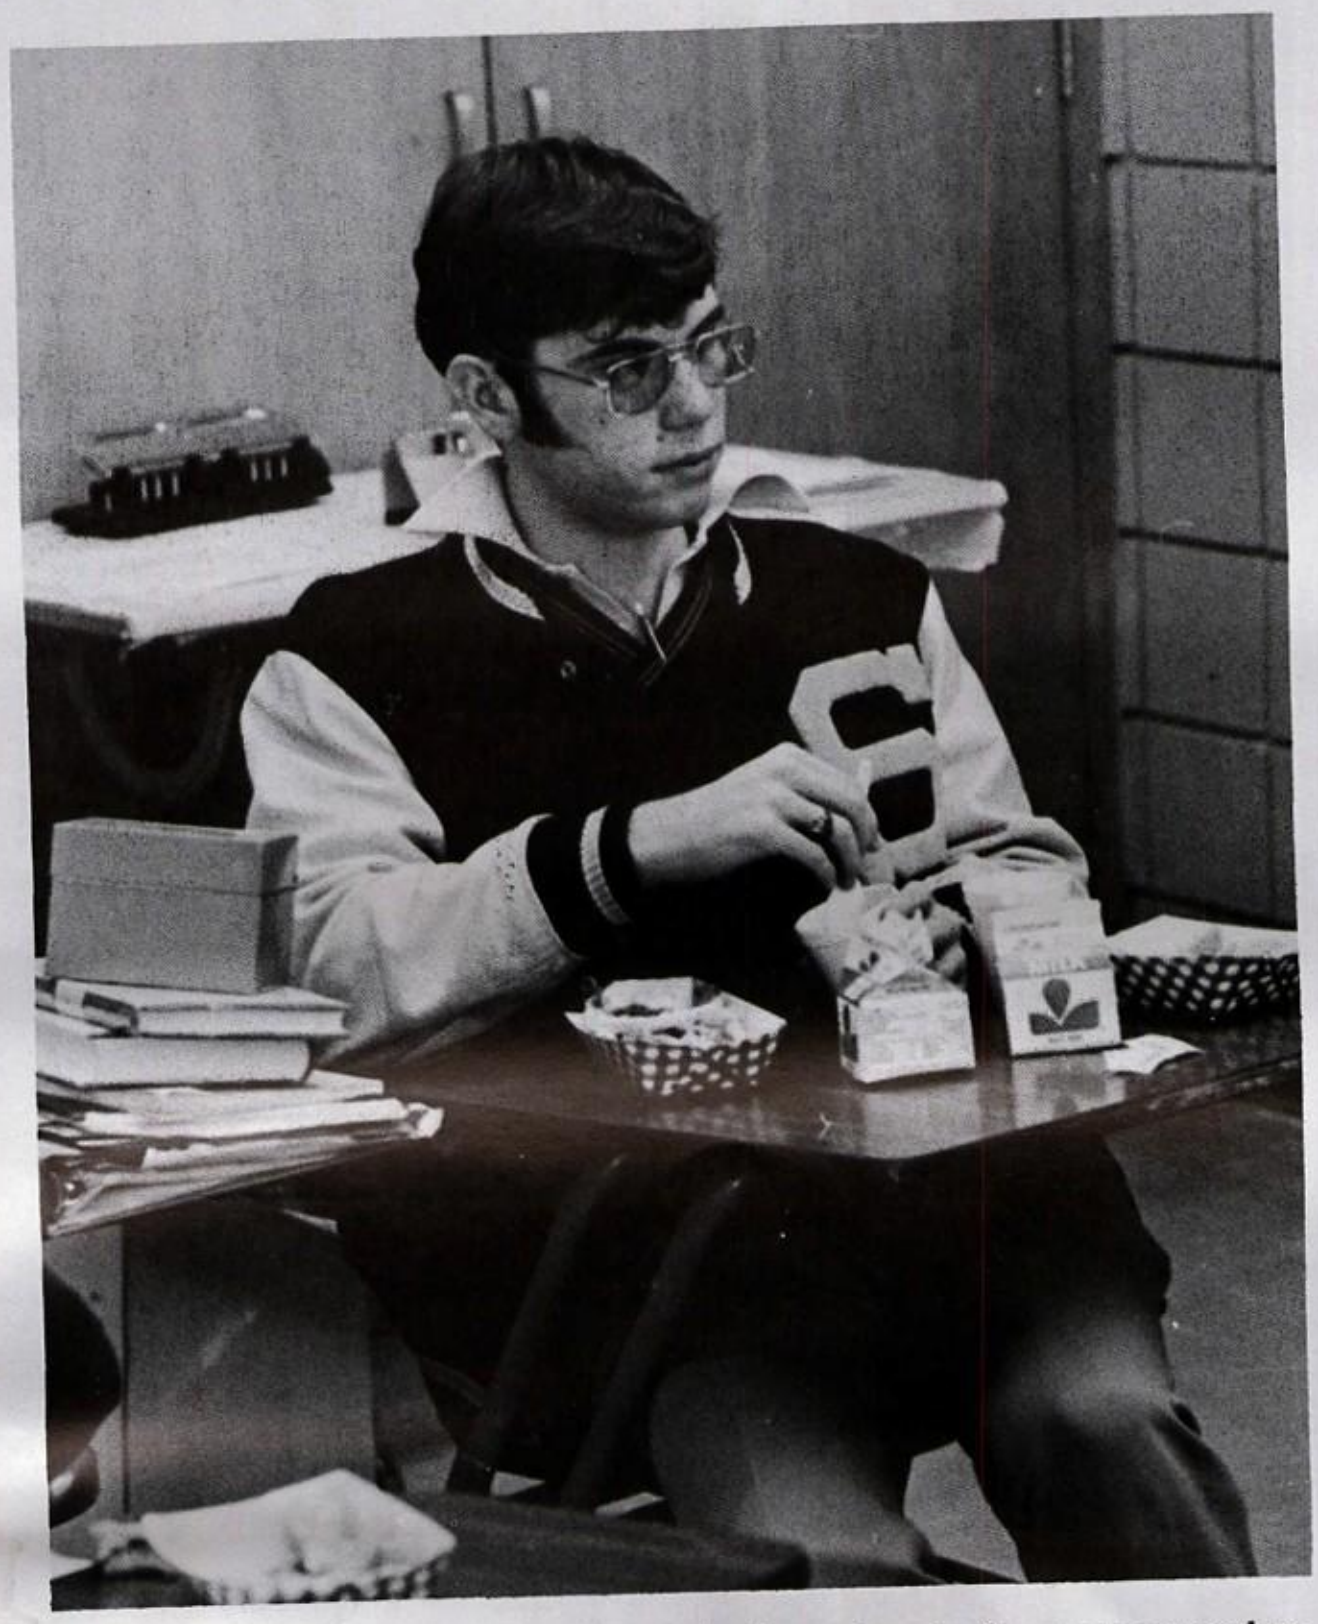
Mr. Pioneer



Kevin Martin is a gifted student who has already been accepted to Cal Tech. Kevin plans to pursue a PHD in math and science. Kevin's willingness to work hard has served him well this year as ASB Director of Finances. Kevin has been an active student for three years in clubs and organizations including Senior Class, C.S.F., and Prometheans, for which he served as President during his junior year. In addition to all these activities, Kevin has also become active in speech and debate in his Senior year. We feel what characterizes Kevin most is his ability to get the job done, no matter how hard and regardless of the recognition. Congratulations to Kevin Martin, Mr. Pioneer of 1977.

Miss Pioneer

Allison Wallace has charged Simi Valley High School with her electric personality, her energy, her spirit and her willingness to help anyone who wants to get something done. In her three years at Simi High, she has been active in the International Club, activities in the Class of 77, the Leadership Class, Pep Club, and Girls' League. She served the Pep Squad as manager and coordinator. She has been a club officer and as a Senior was the ASB Director of Publicity. Allison's career plans are not firm at this time, but she wants to go into some field where she can serve and help other people. A warm congratulations to Miss Pioneer of 1977, Allison Wallace.

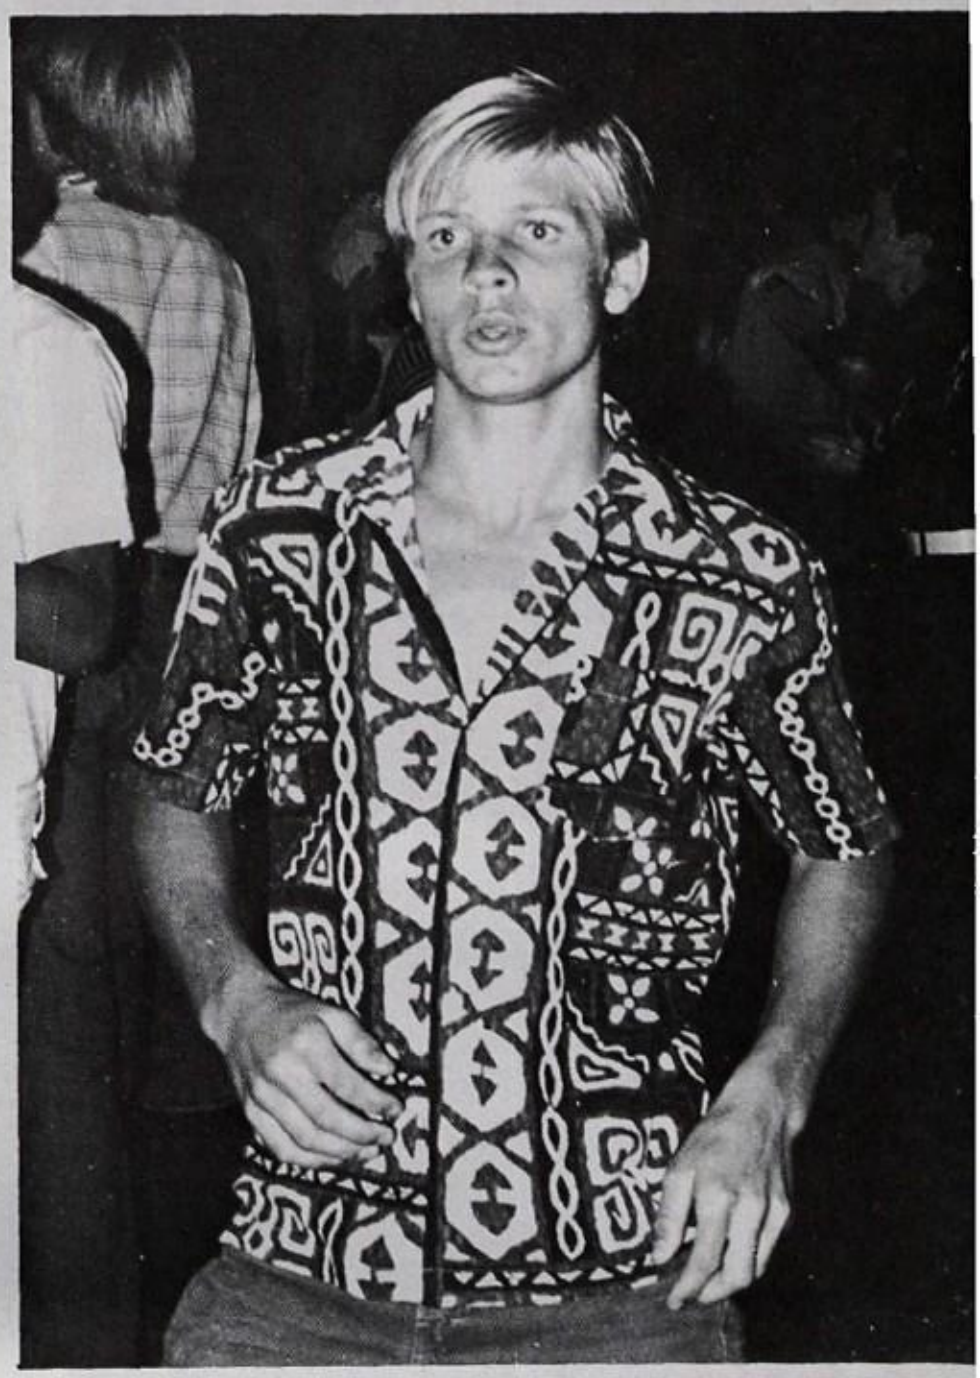
Fun And Falls

The Nighttime

just a rhythm roll madness

with my shoes - I came to dance!

Nils Lofgren



you go to the dance

in order to prance

and with some luck

to start a romance

you catch the beat

and tap your feet

for only a buck

your prince you could meet

you see just the guy

you must catch his eye

then your plans run amuck

you see her and sigh

but all is not lost

your jacket is tossed

you grab onto Chuck

or Horace or Ross

then you dance till you're blue

with the same guys you knew

no new sweethearts tonight

but it's alright with you!

What was once considered unfeminine - a woman competing with her physical skill and ability - is now respected and admired.

In acknowledgement of this, we would like to pay tribute to the women everywhere who have excelled in sports, broke through the stereotypes, and have made it possible for each and everyone of us to pursue the field of athletics unprejudiced and with pride.
